

Configure Venture Vortex Deals

Use this form to find ventures in the wider Venture Vortex community and track them on the Venture Vortex Deals list on your dashboard (along with any ventures you referred to Venture Vortex whose ratings are 4.0 or better).

To set a minimum rating level for your Venture Vortex Deals, check "by Rating" and select a level (from "at least 1" to "at least 5"). To limit your Venture Vortex Deals to specific industries, check "by Industry" and then check any industries you wish to include in your list.
